

Social Committee Board Meeting – October 30, 2018 at 7:00 pm (Community Services Building)

In attendance – Judy Ireland, Robyn Carrier, Donna Bauer & Karen Foudy

Called to Order at 7:08

Discussed Previous Events/Matters

- May 26th – Dinner & Cards – great evening with 22 people attending. We ordered food from Mehtab and they delivered right to the Community Services Building. Followed up the meal with some poker and visiting.
We were short about \$40, due to ordering food for 24 people, then 2 people cancelling.
- July 8th – Oil Painting & Pot Luck – really good turn out as well, 24 people painting and few a more for the pot luck.
We broke even, as everyone attending the painting session, prepaid by email money transfer.
- Aug. 30th – Retirement Dinner for Sharon – attendance was awesome, about 45 people came to pay respects to Sharon and wish her well. There was pizza, pot luck and gifts for Sharon.
- We have a surplus of \$35.00 from all the donations towards the items purchased.
- The Golf Event fizzled, as we feel that it was too long of a period of time (12 weeks) and people lost interest. We discussed a one week or one day event next summer, for better engagement.
- Discussed the progress of the Ghost Lake Community Association. The process to register takes 8 to 12 weeks and was applied for in early September. We discussed possibly having a fee to join of \$10 or \$15/year, to help fund events. Also, that we will try to have all events prepaid, to avoid any losses.
- Talked about using the \$650 budget for 2018 for yoga matts, oil painting supplies, karaoke machine or used pool table. Will discuss further.
