

Ghost Lake Community Library

The Summer Village of Ghost Lake Community Library will remain open to the public until Saturday March 21, 2020 at 8am.

Use at your own risk.

DO NOT enter the library if you are on self-quarantine or have any symptoms of infection such as cough or fever

- practice Social distancing and only enter the library if you are able to maintain the recommended 3' - 6' spacing
- wash your hands as soon as possible after using the library – do not touch your eyes, nose or mouth before you do
- do not return any materials that have already been borrowed until after the COVID-19 pandemic has been declared as over

the novel coronavirus can persist on surfaces/inanimate objects such as books/DVDs for up to 7 days. At this time the degree of transmission ability/infection from this is not known. As such borrowing materials from the library may pose some risk.
